

Learning Path Certificate

Qt Academy

This certificate is awarded to
Prosenjit Majumder Joy

You have successfully completed

FYI x Qt: Qt Development Framework

During this path, you have started your journey of learning the Qt Framework. From initial setup with Qt Creator IDE to delving into CMake, and interlinking C++ with QML, you have gained the skills needed to begin developing and building applications across desktop and mobile.

Completion Date:
18/11/2024
